

## **PBC COMMISSIONER GREGG WEISS AT CV CLUBHOUSE**

**DATE: THURSDAY, MARCH 7TH, 2024**

**TIME: 1:30 PM**

**LOCATION: CV CLUBHOUSE, ROOM C**

**SUBJECT: ARTIFICIAL INTELLIGENCE (AI) FOR COUNTY GOVERNMENT**

On Thursday, March 7th, 2024, the Century Village Computer Club will host PBC Commissioner Gregg Weiss, who will give a presentation about Artificial Intelligence (AI), and its future role with local government.

Commissioner Weiss is Co-Chair of the National Association of Counties AI Exploratory Committee, which is studying the implications of AI for government, and developing “best practices” guidelines for the safe and ethical use of this new technology.

Commissioner Weiss also is a member of the Federal Communication Commission’s Intergovernmental Advisory Committee (IAC), Which meets quarterly in Washington D.C. to discuss telecommunications issues of concern to state, county, local and municipal governments, including Artificial Intelligence.

All CV residents are invited to attend this presentation, and to bring AI and other telecommunications related questions for discussion.
