

ATTENTION CV UNIT OWNERS:

On **2/24**, the owners of **3037 North Haverhill Road** withdrew their applications for building a **100-bed drug rehab facility** on this parcel, which is adjacent to the Norwich section of Century Village.

The application has been removed from the agenda for the **2/27** meeting of the PBC Commissioners, and the UCO bus service to this meeting has been cancelled.

We thank all CV unit owners who took the time to attend the 2/6 Zoning Commission meeting and who made their voices heard.
